Give your child the **best summer ever!**

Our “Around The World” summer camp is guaranteed to be a fun, educational adventure for your little one! Each week, campers will learn about a different country and culture through hands-on activities, crafts, games, and so much more! Campers will participate in a variety of fun-themed activities that foster curiosity for learning and imagination!

Safe & Secure Environment

At Foundations Preschool, your child's safety is our top priority. Our facilities are equipped with several security measures to ensure that all children are learning and playing in a safe environment.
